dedication

## mrs. martha galtney . . .

Any woman who can slide down a snow-banked hill on a cafeteria tray and outswim the counselors at orientation camp is remarkable. If she can also answer four phones at once, snitch coffee for Dean Christmas, doctor a cantankerous mimeograph machine and keep smiling, she is Mrs. Martha Galtney. Those of us who spend a lot of time in the Student Personnel office for one reason or another have the feeling that it is "Mrs. G." who runs the campus (with apologies to Dr. Graves). Not only is she willing to keep on working after everyone else has gone home, but her patience is inexhaustible (even with editors who are forever locking themselves out of the **Baboshela** office). When there is no problem, it's fun just to stop by for a quick chat. A charming lady and an indispensable part of Mill-sops—for this, Mrs. G., we dedicate to you the 1970 **Baboshela**.

nobody's perfect . . . .

“it had to be the clincher.”

The Millsaps Majors opened their 1969 football season by meeting the Henderson State Reddies of Arkadelphia, Arkansas. The Majors fell to the powerful Reddie squad 27-16. At half-time Millsaps was trailing 21-7 as they were only able to muster one touchdown. This came on Robbie McLead's seven yard dash in the first quarter. In the second half the score was narrowed to 21-16 after tailback Brett Adams scampered 57 yards for a touchdown and Buddy Bartling kicked a 40 yard field goal. After Bartling's three points the Reddies put the clincher on the board on an 89 yard kickoff return. After this opening loss, the Majors were anxious to get in the win column.

Robbie McLeod bulls his way through Sewanee's line.

"our defense showed signs of maturing today."

The next week the Mojors roared to this first win by crushing the University of the South 42-16. The Major offense was potent enough, but it was the defense that kept things completely under control. The defensive unit held Sewanee's attack to a minus 31 yards rushing. Tackle Bobby Springs twice recovered Sewanee fumbles which resulted in Millsaps touchdowns. Monster man Mike Carter got into the oct also as he intercepted two passes which resulted in two more Major tollies.

Buddy Bortling boots another as Clark Henderson holds.

Luther Ott and Ja Jo Logan take a brief rest in the Harding game.

“we’ve got two fine runners.”

Traveling into Razorback country for the second time of the season, the Majors met the Harding Bisons of Searcy. The game ended in a 7-7 tie. The Bisons scored first, but the Majors were able to come back with their own touchdown before the first quarter ended. The bright spot of the game for Millsaps was the outstanding rushing attack. Tailback Brett Adams picked up 129 yards on 26 carries, and fullback Robbie McLeod rushed for 115 yards on 33 carries.

Millsaps got back on the winning track by defeating Northwood Institute of Cedar Hill, Texas, 17-7. The Majors jumped to a 10-0 halftime lead as Buddy Bartling kicked a 21 yard field goal and wingback Mike Carter threw a touchdown pass to tailback Brett Adams. The Knights scored their only touchdown of the game on a 72 yard punt return in the third quarter. In the fourth quarter defensive end Richie Newman intercepted a pass and raced into the end zone giving the Majors their final score of the day. The Millsaps defensive team kept the Knights bottled up during the whole game, forcing two fumbles and one interception.

Mike Carter seems to be enjoying the Southwestern game.

Mike Taylor struggles to pick up extra yardage.

“they do all the things a good football team should do.”

In the 1969 Homecoming game the Majors continued their winning ways as they devastated the Southwestern Lynx 44-0. Robbie McLead scored three times and Mike Carter added two touchdowns in leading the Major attack. One of McLead's touchdowns came after linebacker Melford Smith recovered a blocked Southwestern punt and returned it to the one yard line. The Major rushing attack for the game was greatly enhanced by the running of quarterback Mike Taylor and tail-back Rowan Torrey. This victory gave Millsaps a 3-1-1 record.

## “the second half was too late.”

The following week the Majors journeyed to Arkadelphia, Arkansas, for the second time of the season and suffered their second loss. This time it was to Ouachita Baptist College by a score of 23-7. The Tigers took complete control of the first half and led at the end of the second quarter 23-0. The Majors controlled the second half with 117 yards rushing to 32 yards for Ouachita. Millsaps finally got on the scoreboard in the third quarter when guard Mike McGee recovered a fumbled punt on the Tiger 40 setting up the touchdown. Following this second loss of the season the Majors took advantage of an open date to prepare themselves for the last three rugged games.

Bobby Springs walks off the field after his usual fine game.

“this is the strongest

Millsaps got its fourth win of the season in a come from behind effort against Maryville College. Even though the Majors had a good rushing game with 208 yards gained, the win came by way of the air. Millsaps went ahead in the second quarter 7-6 as quarterback Clark Henderson completed a 28 yard touchdown pass to split end Rowan Torrey. The Scotties went back in the lead in the third quarter, and Millsaps was still behind with just five minutes left in the game. Then Henderson threw another touchdown pass, this time to Richie Newman, to put the Majors ahead for the second time. The victory was wrapped up when defensive halfback Ronnie Grantham intercepted a Maryville pass in the final minutes of play.

Rusty Boshers and Robbie McLeod lead the way as Clark Henderson rolls to the outside.

“it’ll be another good test  
for our defensive unit.”

The Major defensive unit led the way in the next game as Georgetown College was crushed 22-7. The rushing game of the Tigers was completely stopped as their net rushing yardage for the day was zero yards. Also, five interceptions stymied effectively the Tiger passing attack. Linebacker Melford Smith and safetyman Mike Coker each grabbed two interceptions and halfback Rannie Grontham added one. The Majors went ahead in the first quarter on a 19 yard touchdown run and then an 11 yard scoring gallop by fullback Robbie McLeod. Georgetown got on the scoreboard in the second quarter, and then Millsaps added its final touchdown of the day on an eight yard burst by Brett Adoms.

Clark Henderson watches intently as the referee signals a Major first down.

“we’ll show up and we’ll be there when it’s over . . .”

In the final game of the season Millsaps defeated previously undefeated Randolph-Macon 13-7. This win broke the 19-game winning streak of the Yellowjackets which was the longest for a college division team. Millsaps scored first on a 27-yd. field goal by Buddy Bartling after Melford Smith had recovered a Yellowjacket fumble. Randolph-Macon got its only score of the game on an 85 yd. kickoff return, opening the second half. At the end of the third period punter Dale Keyes kicked the ball to the one-yard line. On the first play after this punt, the Majors recorded a safety, leaving them still trailing the Yellowjackets 7-5. In the final minutes of the game quarterback Clark Henderson led the team downfield and Brett Adams rushed over from the three to put the Majors ahead. This upset victory gave to the Majors a most successful 6-2-1 record.

Coach Davis and Coach Ranager confer with quarterback Clark Henderson during a time out.

By compiling a 6-2-1 record, the Majors completed the best season since Coaches Davis and Ranager came to Millsaps six years ago. The Millsaps offensive power this year was again led by Robbie McLeod and Brett Adams. McLeod picked up a total of 730 yards, averaged 81 yards a game, and scored 48 points on 8 touchdowns. Adams picked up a total of 733 yards, averaged 81 yards a game, and scored 38 points on six touchdowns and a 2-point conversion. Kicking specialist Buddy Bartling had 32 points to his credit, making 20 of 22 PAT kicks and four of seven field goal attempts.

The Major defensive team also proved to be quite strong. They held their opponents to only 121 yards rushing average and 106 total points. The 'Saps defense also picked off 27 passes, recovered 20 fumbles and one blocked punt. Mike Carter, Melford Smith, and Mike Coker led the team in recording turnovers. Carter had 8 interceptions and one fumble recovery to his credit, Smith had four of each, and Coker had 6 interceptions and two fumble recoveries.

Looking ahead to the 1970 season, the outlook appears bright for another successful season. The Majors will only lose five men by graduation. These five seniors, including Mike Coker, J.J. Logan, Pat Amos, Melford Smith, and Tommy Bryant, however, will be hard to replace. Each has been with the Majors for four years and has contributed greatly to the rebirth of football at Millsaps.

## basketball fortunes improve

The Majors entered the 1969-1970 season with various factors in their favor. Every starter from last year's team returned and they were joined by several outstanding new players. Under the new basketball coach, Howard Corder, the Majors worked long and hard and compiled a 8-17 win-loss record. This was the best basketball record for Millsaps in quite a long time, and it is further proof that scholarships add greatly to an athletic program. The Majors found glory early as they convincingly defeated a strong Delta State team. In the Mississippi College Invitational Tournament Millsaps exerted a strong effort and fell only one point short of Southeastern Louisiana State. Then in the Denominational Tournament behind the best offensive showing of the year Mississippi College was defeated. In the next to the last home game of the season, Millsaps came from behind to tie up an excellent Spring Hill team and then win in overtime.

Bob Hester returns a serve as his partner David Sawyer looks on.

The Majors headed into the 1970 tennis season with five returning lettermen and several newcomers with years of tennis experience. The 1970 schedule included 17 matches and two tournaments. This was the longest schedule for the Millsaps netters in recent years. Leading the Majors this season were Ben Graves, who has played in the number one singles position for the last three years, John McDonald, who won the number three singles title in the state tournament last year and compiled an overall 16-2 record, and Lon Wyatt, who teamed with

McDonald to produce an 8-4 number two doubles record. The two other returning lettermen were Clark Henderson and Bob Hester. Some outstanding new players included Marty Pearson, who got to the semifinals in the state high school tournament both his junior and senior years and Bobby Clark, who last year won the state junior college title in number one singles. Other players on the Major squad were David Sawyer, Daug Dunn, Robert Ford, Lutz Werner, Don Thornton, and Johnny Durrett.

## sigs snag soccer

The 1969-1970 men's intramurals opened with the soccer season. Up until this year this sport, which took the place of the dangerous speedball a few years ago, has not been played with an overly abundant amount of dexterity by all teams involved. This year each team participating could be called a soccer team. For the third year in a row Kappa Sigma took home first place honors. Unlike previous years when the Sigs completely dominated play, they were pressed hard all season long by the Lambda Chi's, the KA's, and the Pikes. The first place Sigs' record was 6-0-2. Pi Kappa Alpha finished in second place with a 5-2-1 record. Kappa Alpha came in third with a 2-3-3 record, and Lambda Chi Alpha finished in fourth place with a 2-4-2 record. The strength of the whole league was emphasized by the fact that the two ties of the winning Sigs came against the third place KA's and the fourth place LXA's. The development of skill in soccer at Millsaps was further shown by the game played against the LSU soccer team. Members from the intramural teams at Millsaps joined forces with the doctors from the University Medical Center to make a surprisingly good showing against the team from Baton Rouge.

Charlie Shields races to bring the ball under control for Kappa Alpha as it heads out of bounds.

Fred Ezelle and David Dye get in on the action in the game between the Millsaps intramurals' team and the LSU Tigers.

## pikes take volleyball

As winter approached, men's intramurals moved from the cold soccer field to the drafts of Buie Gym. The first sport of the winter season was volleyball. For the last several years the Lambda Chi's have pretty well controlled this game. This year, however, one of their two tall spikers was gone because of graduation and they were not quite up to their usual standards in volleyball. The Pikes proved to be the best team playing volleyball for the year. They compiled a perfect 8-0-0 record behind a consistent defense and sparked by several tough spikers. Kappa Alpha came in second place followed by the Lambda Chi's, Kappa Sigs, and the Independents.

Randy Williams attempts to block a spike.

Rawan Tarrey and Langford Knight fight for possession of the ball.

Clive Westcott goes up for a lay-up against the KA's.

## basketball expands

Basketball began as second semester started, and the interest in men's intramurals was revived. This year the number of teams participating increased from six to eight as two more independent teams were added. The eight teams were divided into two divisions with the Lambda Chi's, the Vikings, Kappa Alpha, and the Reactions making up one division and Kappa Sigma, the Jackson Five, Pi Koppa Alpha, and the M-Club making up the other. The first round of play was interdivision and the second round was intradivision. A tournament to decide the champion was held at the end of the second round among the top teams of both divisions. The style of play by all teams proved to be good, and, although the play was not equal to the pros, it must be said that as a general rule the caliber of referees compared favorably with those of the NBA.

## women's intramurals

The sports included in the women's intramurals program at Millsaps are volleyball, tennis, softball, golf, basketball and badmitten. The four sararities plus the Independents competed for the overall intramural trophy given at the end of the year. This year the Independents fought off the KD's to win the volleyball title. The Independents also took first place in badmitten. The KD's had the best tennis team, and they grabbed first place.

chosen as the arena '69 presentation was an unusual play by british author john bowen. under the direction of lance goss, the players performed "after the rain" in the round in galloway arena theatre.

the setting for the play is a university lecture hall, two hundred years after the great rain of 1971. for the benefits of the students, the story of their ancestors—nine survivors of the rain—is being presented.

these nine men and women are themselves convicts who perform while under hypnosis. they are guided through the action by the lecturer who in the end realizes their one crime is individuality.

and object poverty . . . .

partly cloudy today  
with a slow warming trend tomorrow  
winds from the north  
have been increasing steadily  
creating high pressure areas  
across the south . . . .  
as the real world reached in  
words like interdependence lost their textbook frigidity . . . .  
we were involved . . . .  
some of us thought  
spiroagnew really was a respiratory disease,  
and that of course made us focus on  
pollution . . . .  
we were shocked when we realized  
that the war is not only in asia  
but durrett said that was better than  
apathy . . . .  
then we looked to the moon  
where we come in peace  
and were glad . . . .

motives were essential . . . .  
we went to basketball games to win the  
spirit trophy . . . .  
we went to the symphony because we needed  
to pass aesthetics . . . .  
the series committee never gave us  
a motive for convocation,  
but dove brubeck didn't need one . . . .  
we fought for liquor at off-campus parties,  
open dorms, beer in the grill,  
and didn't win . . . .

we said we had student unrest but  
the newspapers didn't notice. . . .  
we began to read the senate minutes  
and we wondered how much voice  
the senate had, so to find out  
we resolved to put a student on the  
board of trustees . . . .  
defying premature death notices, the  
grieks made it through another year . . . .  
for the most part, our opinions of the  
cafeteria remained unprintable (though  
one vocal person expressed discontent by  
screaming "i hate that food" from a  
car window as he drove through campus) . . . .  
we sympathized with the misunderstood cola  
and decided that only in the grill does  
dr. pepper taste like prune juice . . . .

we heard that GOD was dead  
but we laaked anyway because  
man was not reason enough . . . .  
we debated about the intellectuality of patriotism  
and were intrigued by the fact that  
at a basketball game we skipped the  
STAR SPANGLED BANNER because of  
technical difficulties . . . .  
we deplared man's shortcomings because  
it is time ta be aware,  
but we laughed and played frisbee because  
we are young . . . .

listen . . .  
can't you feel it . . .

# MP&L is People...

*serving as Community Builders*

People like Sue Fountain, MP&L Electric Living Consultant at Natchez, work enthusiastically at their job which consists of helping people learn new ways to live better . . . electrically.

Like all 1200 employees in the MP&L family, Sue realizes that her role as a community builder is complemented by supporting Girl Scouting, membership in the Natchez Pilot Club, and chairmanship of the Home Economists in Business section of the Mississippi Home Economics Association.

MP&L is proud of its large family of community builders who are "Helping Build Mississippi."
